THE POWER OF PRAYER

A breath of prayer in the morning
Means a day of blessing sure –
A breath of prayer in the evening
Means a night of rest secure

A breath of prayer in our weakness
Means a clasp of a Mighty Hand
A breath of prayer when you're lonely
Means someone to understand.

A breath of prayer in rejoicing
Give joy and added delight.
For they that remember God'
goodness
Go singing far into the night.

There's never a year nor a season
That prayer may not bless every hour.
And never a soul need be helpless
When linked to God's Infinite Power.
