(Continued from the front page)

It doesn’t have to be money; it could be as little as an old coffee can. Any kind would be great, especially new Folgers cans with the handles. We will be using these to dip our paint brushes in. If nothing else, I do request your prayers for the success of this project! This may be a little late in getting started but I am so excited about this program! I have now seen it in practice, with Craig Evans, and I’ve seen how much the young people enjoy it and I just hope we can make it happen here. Ryan, from 7 Oaks, and I have been working so hard on this, I believe it will be an amazing out-reach for the church and a great tool for training our young people. I encourage you to participate in any way that you can, even if it is donating coffee cans, or just letting your children attend. Let’s get together and make this a success! May God bless!

In Him,
Bryce
