Father's Day

If I went shopping for a dad,
Here is what I'd buy:
One who would always stop
To answer a little boy's “why?”

One who would always speak kindly
To a little girl or boy,
One who would give to others
A bit of sunshine and joy.

I'd pick a dad that followed
The Bible's Golden rule,
And one who went regularly
To worship and Sunday School.

I'd buy the very finest dad
To place on our family tree,
And then I'd try to live like him
So he would be proud of me.

One Neat Dad

Have you noticed in the television family, "The Walton's", how the father is almost always available; or in "Little House on the Prairie", how Laura's dad is always there for the tight squeezes? Contrast these situations with the modern dad who is gone from morning to night. Things have certainly changed since the 1930's and the earlier house on the prairie days, maybe too much. Years ago, Dr. Charlie Shedd held a contest called, "One Neat Dad". He asked contestants to send in letters recommending their dad for this great honor. Here's a list of the ten most appreciated qualities for "One Neat Dad".

1. *He takes time for me.*
2. *He listens to me.*
3. *He plays with me.*
4. *He invites me to go places with him.*
5. *He lets me help him.*
6. *He treats my mother well.*
7. *He lets me say what I think.*
8. *He is nice to my friends.*
9. *He only punishes me when I deserve it.*
10. *He is not afraid to admit when he is wrong.*

Note: Qualities 1-5 are versions of the single word "time". This is the single most appreciated trait of one neat dad!
