(Continued from front page)

- **Teach the lost.** They may not know they are lost. It is easy to be lost in the woods and not know it. It is just as easy to be lost in sin and not know it. As we would show the person lost in the woods the way out, we must show the person lost in sin the way out. Christ is the way. Social services will not do it, friend. Neither will polite pleasantries about nothings do it. The gospel is God’s power to save the lost (Romans 1:16). Let’s be sure it’s the gospel we’re preaching to the lost.
