GIFT RECEIVED

The church has received a monetary gift from **Brother George Harper** in memory of his late beloved June. We all know of her love for the beauty she saw in all of God’s creation, and her great affection for carrying the gospel message to lost souls. The gift received will go directly to mission work. Be sure to express your appreciation to brother Harper next time you see him. As you think of June, remember Hebrews 11:4!! Some accomplish a fair amount of good in this life. Others see that there are provisions for the Lord’s work long after their departure.

(Continued from front page)

When we read the four accounts of the life of Jesus, it seems that He was nearly always around people. We often think of the times when He wanted to get away for prayer or even mourning. Much of the time He was around people, though and it was very intentional. He wanted to be a part of their lives.

Jesus taught us that we are the “salt of the earth” (Matthew 5:13). For salt to preserve or add flavor to meat, it must be in contact with the meat. Otherwise, it is “good for nothing.”

None of us lives as a hermit. We don’t go out to some cave in the mountains and avoid any human contact. But do we ever make sure we are in contact with other people? Do we ever take an extra two or three minutes to go in at the bank instead of using the ATM? Do we ever go in to the counter at Burger King instead of driving through? While these may not seem like important things, they could be.

Today, we get a special opportunity to have people come “into our lives.” On this day of worship, some people may be here who have never been here before. They are looking for something good in their lives, but they are also looking for people who care.

Once again, the small things will make all the difference. Did you give up “your pew” to a visitor? How about “your” parking space? Did you smile when a visitor walked into your Bible class, or did you go on talking with your neighbor?

People are looking for that personal touch. Let’s not let them down.

Youth Activities

- **WorkCamp begins on Sunday evening with a devotional after the evening services. All participants are required to attend.**
- **Summer Youth Series** at Central church of Christ. The bus will leave the church parking lot at 6:10 p.m.
- We will be going to see the Memphis RedBirds play in Memphis, TN at Friday, June 29th. Tickets are \$25.25, this includes the ticket and all-you can eat food. All money needs to be turned in to Bryce by Sunday.
