NORTHSIDE

Finally my Brethren...

The time has come for me to depart once again, unfortunately, this time it will be for good. There is no way for me to express my appreciation to you all for everything you have done for me over the course of the last two summers. It is my hope and prayer that my time here has been beneficial for everyone. Before I go I want thank the elders of this congregation for giving me the opportunity to work here for the past two summers. I have learned a lot and benefited greatly. To the members of this congregation, I would like to thank you for your encouragement and support along the way. It is the encouragement and support that helps keep one going. I would like to say a special thanks to Mike and Kara for always being willing to help me out. You have both helped me so much and I will greatly miss you both. To the Kirbys thank you for everything you have done for me over the course of the last two summers. You are all special people and I will miss you greatly.

As I pondered what I wanted to say to all of you the words of the apostle Paul seemed to be fitting. *"Therefore, my beloved brethren, be ye stedfast, unmoveable, always abounding in the work of the Lord, forasmuch as ye know that your labour is not in vain in the Lord"* (I Corinthians 15:58). As I leave here I pray that everyone will take heed to these words and always remain *"stedfast and unmoveable always abounding in the work of the Lord."* There is so much work that needs to be done in order to reach the lost and for the church to grow. If this is ever going to happen than it is up to us to stand up and be about our Father's business daily and not just part of the time or when we feel like it. More and more precious souls are dying everyday in a lost state of condition. This is going to continue to happen in great amount until the church decides to *abound in the work of the Lord*. It is my prayer that the members of the Lord's body will always be ready to firmly stand up and do the work of the Lord. May God bless His church as we strive to stand up and always do His will.

In His Services,
Justin Morton

Congratulations Hugh!

There are so many members of the Northside congregation that contribute to the overall work of the Lord’s Body and do so with little recognition that time nor space would allow each and everyone to be singled out. But sometimes there are those that pass certain milestones that warrant recognition. Each Lord’s Day when we assemble for worship, we do so with such an abundance of conveniences that we hardly consider those that put forth a lot of effort in making the various arrangements. One such person is Hugh Kirby. For the past ten years, Hugh has scheduled the men who will serve in the various capacities for Sunday morning and evening services. He has been very diligent in getting this information to the office for publication in the bulletin. Hugh has exercised great care in using those capable of serving in the various service needs in such a way that everyone has opportunity yet not requesting more of one man than of any other. If you were to offer any kind of praise to Hugh for a job well done, he’ll be quick to point out that his success would be impossible without the support and help of his wife, Jill. Thanks also go to Chris Green and Larry Rhea in their assistance in the last minute arrangements for substitutes for those that cannot serve after being scheduled. With the number of men involved, it is almost certain that scheduled conflicts will arise.

This service is certainly not the only involvement of the Hugh Kirby family at Northside. For all the contributions made by them, we are grateful. Your presence does make a difference.
