AN UNNECESSARY EXERCISE

August 25, 2010

A man was hoeing his garden in a chair. Said the passerby to himself, "What Laziness!" However, closer observation revealed to the passerby's eye a pair of crutches leaning against the chair. The passerby was guilty of that unnecessary exercise called "jumping to conclusions".

Be honest! Very little effort is required for attaching the worst connotation possible to the decisions or actions of others. Yes, it is so easy to jump to conclusions, ignoring or being void of all the facts behind the decisions and actions of others. On the other hand, it is more difficult to believe in and hope for the best from one another – as Christians who love one another should (1 Cor. 13:7, 8).

So what will help us be more fair in the concepts we have of one another and the conclusions we draw about one another? From the words of Jesus in that familiar passage, Matthew 7:1-5, there are several things we need to remember.

- (1) First, it is wrong to impetuously judge and jump to conclusions about another. Jesus said, "Judge not" (Matt.7:1).
- (2) Second, life is a mirror; we receive from it what we put into it. Jesus warned, "With what judgment ye judge, ye shall be judged; and with what measure ye mete, it shall be measured to you again" (Matt. 7:2). Yea, if we jump to conclusions about others, others will jump to conclusions about us.
- (3) Third, jumping to conclusions will adversely affect our relationship with fellow-brethren. Such is inevitable when we capitalize on the faults of brethren, "the mote that is in thy brother's eye," and fail to consider our own faults, "the beam that is in thine own eye" (Matt.7:3)
- (4) Fourth, jumping to conclusions will adversely affect our concept of self. Such transpires when our actions say to another, "Let me pull out the mote out of thine eye", but at the same time a beam is in our own eye (Matt. 7:4).
- (5) Fifth, jumping to conclusions will adversely affect our relationship with God. Yea, jumping to conclusions makes us a "hypocrite" (Matt. 7:5).

We may not be blind to the faults of others, but let's at least be fair to one another in reference to these faults. Remember, "The crosses people bear are seldom in plain sight!"

"Judge not according to appearance, but judge righteous judgment" (John 7:24). Wouldn't that be great?!

You Never Can Tell

You never can tell when you
send a word
Like an arrow shot from a
bow
By an archer blind, be it
cruel or kind,
Just where it may chance to
go.

It may pierce the breast of
your dearest friend,
Tipped with its poison or
balm,
To a stranger's heart in
life's great mart
It may carry its pain or
its calm.

You never can tell when you
do an act
Just what the result will
be,
But with every deed you are
sowing a seed,
Though the harvest you may
not see.

Each kindly act is an acorn
dropped
In God's productive soil;
You may not know, but the

A wife invited some people to dinner. At the table, she turned to their six-year-old son and said, "Would you like to say the blessing?" "I wouldn't know what to say," the boy replied. "Just say what you hear Mommy say," the wife answered. The boy bowed his head and said, "Lord, why on earth did I invite all these people to dinner?"
