Introduction to the Bible

Written by **J. C. Choate**
For the Voice of Truth International

The word Bible, literally means "the book". It is the greatest book in the entire world & it is the world's bestseller, year after year.

The Bible is divided into two main sections: the Old Testament & the New Testament. Old Testament has reference to the old law that was given to God's people through the man, Moses, in the long ago. Naturally, the New Testament is the latter law or will that was given to replace the Law of Moses.

The Bible is composed of **sixty-six** books. The **thirty-nine** books of the Old Testament are grouped into five categories:

*First, there are **five books of Law**, which are also called the Pentateuch: Genesis, Exodus, Leviticus, Numbers, & Deuteronomy.

*Next, there are **twelve books of the history** of the Israelite people: Joshua, Judges, Ruth, 1 Samuel, 2 Samuel, 1 Kings, 2 Kings, 1 Chronicles, 2 Chronicles,
