DONATIONS

Bread of Life, the humanitarian effort sponsored by the Melber congregation, is doing an impressive work. We anticipate helping more with this in the future. If individuals desire to contribute towards, the elders would be happy to receive the donation and pass it on to "Bread of Life". This effort is based in the old Lowes Funeral Home building.

Before...

- You speak an unkind word about someone, think of someone who can't speak.
- You complain about the taste of your food, think of someone who has nothing to eat.
- You complain about your husband or wife, think of someone who's crying out to God for a companion or think of someone who just lost their companion.
- You complain about the daily grind of life, think of someone who has already left this earth.
- You complain about your children, think of someone who desires children but are barren.
- You start whining about the distance you must drive to work, to church, etc., think of someone who walks the same distance daily with their feet.
- You start complaining about your job, think of the unemployed, the disabled, and those who wished they had your job.
- You think of pointing your finger or condemning another person, remember that not one of us is without sin and all of will answer to God.
- Depressing thoughts get you down, put a smile on your face and thank God you're alive and still kicking!

Life is a gift
Live it...
Enjoy it...
Celebrate it...
And fulfill it.
