**Thank you, Gene Baldwin**

The fast pace and mobility of the world in which we live has certainly had its effect on some of the basic moral values of our land. The values of perseverance, commitment, and patience readily came to mind as traits of declining value in our society. Let us never forget to give thanks to those Sensational Seniors of the Northside congregation that have provided examples of solid Christian values for us to look to for strength as we strive to live in a world of declining values.

While we are blessed with many seniors that have been faithful in their works here at Northside, Gene Baldwin has certainly been a positive example for the traits cited. Mr. Baldwin has been responsible for keeping attendance records at Northside for 52 years. During that time span, one must wonder how many youngsters have grown up watching him collect the "attendance tickets" or have longed to help "ring the bell"? The only interruption in Gene's work came when he was helping to attend to Miss Ondine during her stay in the hospital and in Heritage Manor. Gene's devotion to the core of his wife of 68 years is yet another lesson on perseverance, commitment, and patience.

II Thessalonians 3:13 "...do not grow weary in doing good." is a scripture that readily comes to mind when thinking of Gene Baldwin.
