*Northside family,  
Thanks to all for the prayers, flowers, visits, cards, and concern shown to me during the loss of my sister.*

*Christian Love,  
Laura Kemp*

*Dear Brethren,  
Because of your prayers and the grace of the Almighty, Sue's cancer is now in remission. She still has some cancer, but not as much. She will continue chemo but not as often. Within the next 2 weeks, she has to have surgery on both eyes. God bless you all.*

**Sue & Charles Travis**

*Your comforting expression of sympathy will always be remembered with deep gratitude.*

**The Paul Butler family**

*Dear Northside Deacons,  
Thank you so much for the donation to New Pathways in memory of Jim. It meant a lot to me. He loved the homes and those that took care of children.*

*Love,  
Sue McGill*

**TELL THE GOSPEL TO YOUR FRIENDS!**

My friend I stand in judgment now  
And feel that you're partly to blame somehow.  
On earth I walked with you day by day  
And never did you show me the way.  
You knew the Lord in truth and glory,  
But never did you tell me the story.  
My knowledge then was very dim,  
You could have led me safe to Him.  
Though we live together here on earth,  
You never told of the second birth.  
And I know I stand this day condemned,  
To me you failed mention Him.  
You taught me many things, that's true.  
I called you friend and trusted you.  
But I learned, now that it's too late,  
That you could have helped me from this fate.  
We walked by day and talked by night,  
You let me live and love and die,  
Knowing that I'd never live on high.  
And trusted you through joy and strife.  
But coming to this dreadful end,  
I cannot now call you my friend.

Mark 16:15,16)**
