“IN GOD WE TRUST”

There are many gods people seek after in hopes of finding refuge from the problems we must face in this life. Everyone wants security, protection, and deliverance from trouble, but too often we go to the wrong source to try and find it.

Some seek for their security in education. Education is a good thing, but cannot meet our deepest needs for refuge in times of trouble.

Others turn to science for their hope. I just heard this week of another wonder drug discovered by man that “actually reverses the aging process.” Time marches on no matter how many drugs we take. Science still remains helpless against disappointment, distress, and death.

Still others look for protection through obtaining more and more money. This trust is misplaced. This flimsy fortress is easily penetrated by disease, accidents, depression, etc.

While the world continues to chase after “clouds without water” and “wandering stars” in an endless pursuit for security, we know there is a better way. Our eyes are fixed in a different (upward) direction.

“In God (I will praise His word), In God I have put my trust; I will not fear. What can flesh do to me?” Ps. 56:4. “God is our refuge and strength, a very present help in time of trouble.” Ps. 46:1.

Putting our trust in God is the only way to deal with things like depression, disease, and death. Without God to help us through these difficult times we would be lost and hopeless when trouble strikes.

“In God We Trust” is more than just a slogan to the Christian. It represents an unquenchable faith and an undying hope placed in the One who “will never leave you nor forsake you.” *Heb. 13:5*

Let us never lose sight of what God promises for those who become His children. *“Blessed be the God and Father of our Lord Jesus Christ, the Father of mercies and God of all comfort, who comforts us in all our tribulation, that we may be able to comfort those who are in any trouble, with the comfort with which we ourselves are comforted by God.” II Cor. 1:3,4.* He is the only true source of security. Protection and deliverance today! Aren’t we glad we have all of these spiritual blessings in Christ?
